

THE SAN ANDREAS FAULT EXPLORER TOUR

Fleet: Board a fleet of H-1 Hummers, also known as the Humvee. They are truly the “cadillac of the off road.” These vehicles offer twice the space and comfort of a traditional Jeep tour. Vehicles provide forward facing benches and 1 ton independent suspensions. Luxury shuttle coaches are also included in the price for comfortable transportation to and from venues.

Guides: Expert geology guides trained with the Desert Institute and certified in First Aid and CPR.
