## The San Andreas Fault GPS Treasure Hunt

**Min: 20, Max: 70**

**Tour Time: 3 to 4 hours**

**Off road rating – Moderate** (*1 hours aboard Hummer and/or Jeeps*)

**Vehicles:** 9 passenger Open-Air H-1 Humvees, 1 luxury shuttle coach.

Find the missing gold in this scavenger hunt. Follow clues and We take guests into the 35,000 acre preserve. Your guests will walk into the 3<sup>rd</sup> largest Oasis in the world here. An hour is spent here on a teambuilding hike as you venture into an area with hundreds of palm trees and a bridge that goes over the San Andreas faultline.

A scavenger hunt will have you finding clues and the "treasure" using the a GPS caching game.

### **HUMMER ADVENTURE:**

- A scavenger hunt on an old goldmine trail

Your group will be broken into teams that each much earn points to find the hidden treasure. Teams will use a GPS and clues that will lead them on an adventure to find the treasure.

This adventure will take teams on our fleet of open air military Hummers into the Canyons of the San Andreas Fault. This offroad adventure takes you into the canyons formed by the faultline following a real goldmine trail. Be the first team to find the missing gold on this scavenger hunt.

**FIT GROUP RATE: \$99 pp** (*retail : \$129 pp*)

**Includes H-1 Hummers, Luxury Shuttle Coach and Teambuilding with sophisticated GPS locaters.**
